

2024-25 School Supply List

Supply contributions are not required but encouraged and appreciated. Supplies that are donated by families will be used to stock your scholar's classroom through the school year. Please do not label supplies with student/family name.

For 2024-25, supply drop offs will take place during Family Orientations, the Back-to-School BBQ, and Kindergarten Assessment days. For ease of arrival, we ask that families not send supplies on the first day of school.

Thank you!
