

2022–23 SUPPLY WISH LIST

It is not expected that families provide school supplies, and all required materials will be provided by the school. However, we appreciate families donating supplies that support our scholars and help us prove the possible. Supplies that are donated by families will be used to stock your scholar's classroom through the school year. Please do not label supplies with student/family name. We will share with you the supply drop-off time/day. (It'll likely be the weekend before school starts.)

As a reminder from our Student-Family Handbook

Backpacks: We do ask that students have a backpack in order to adequately support bringing school books, homework, supplies, and family communication to and from school. **Students may not bring rolling/wheeled backpacks to school.** All backpacks should be school appropriate and free of distractions. Requests for medical exemptions related to backpacks should be put in writing to the Manager of Operations and must be accompanied by a doctor's note.
