Financial Assistance Application

ELIGIBILITY

Eligibility is determined by household income and number of qualified dependents. Assistance will be granted on the basis of financial need. All fees are to be kept confidential, as they are specific to individual and family circumstances.

The Y believes that a strong sense of ownership and pride is developed if the financial assistance recipient contributes to the cost of their Y involvement. Therefore, all applicants will be required to pay a portion of membership fees. Program scholarships require a full membership.

If you feel there are special circumstances that may be a factor in this decision, you may provide your written explanation and any supporting documentation with this application.
